When offering forgiveness:

1. Admit the pain and hurt.
2. Release the offender.
 - Don't wait on them.
 - Forgive as often as needed.
 - You'll know you've done this when you can think about them without bitterness and hatred.

When seeking forgiveness:

1. Make a list of those you've wronged.
2. Own the wrong.
3. Think about how you would want someone to bring this up to you.
 - The Timing
 - The Attitude
 - In Private
 - Without Expectations
 - With Restitution (if necessary)
